DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

1. Claims 1 are rejected under 35 U.S.C. 102(b) as being anticipated by Roberts et al. 5344424. Roberts discloses a retractable and disposable surgical scalpel comprising a sharp blade 14, a blade-fixing member 33 integrally fixed to the rear end of the sharp blade 14, and a handle 16 enclosing the blade-fixing 33.

Allowable Subject Matter

2. Claims 2-3 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
